A New Lighthouse in Our Memorial Garden

I would like to tell you about the new lighthouse that has been installed near our Memorial Bench.

Our Bible Study group began in 2006 at First United Methodist Church in downtown Fort Myers. I have been the leader of this group for about 12 years now. When the church closed and was torn down, we continued to meet in someone's home, then at a couple of different churches. We are currently meeting in a member's home.

Two years ago, two of our very active members passed away within a month of each other. One of them was an original member of the group. As a group, we decided to have a memorial erected in their honor at their church.

This past May, their church closed, and our group took possession of the lighthouse. After much discussion, the other ladies in our group, who do not live in Orange Harbor but have visited here on numerous occasions, suggested that perhaps our garden would be a place where the lighthouse could be seen and enjoyed by many people.

Sally Anderson and I are both members of this group of ladies. Many of our Bible studies focus on the stories of women mentioned in the Bible.

Enjoy the peace in the garden. Enjoy the light at night.

Island Hopping on the Caloosahatchee

An Adventure That Starts Right at Our Back Door!

Did you know that some of Southwest Florida's most interesting island destinations are just a boat ride away from **Orange Harbor**? Pack a cooler, grab your sunscreen and binoculars, and spend the day exploring the Caloosahatchee River and Intracoastal Waterway. History, wildlife, beaches, shelling, and beautiful scenery are waiting along the way!

FIRST STOP: COLUMBUS G. McLEOD PRESERVE — 5 MILES

Start right at your back door at Orange Harbor and head **east approximately 5 miles** to Columbus G. McLeod Preserve. This small nature preserve features short hiking trails, a kayak landing, and wonderful birdwatching opportunities.

The island was named for early 1900s Audubon warden **Columbus G. McLeod**, who worked to protect Florida's birds during the plume-hunting era. McLeod disappeared in 1908 and was presumed to have been murdered by plume hunters. The island itself was once connected to the mainland but became separated in the late 1800s as a result of dredging along the Caloosahatchee River.

NEXT STOP: LEGACY ISLAND — 10.5 MILES

From McLeod Preserve, head **west approximately 10.5 miles** to Legacy Island in the middle of the river near downtown Fort Myers.

Formerly known as **Clint's Island or Rat Island**, this small spoil island is undergoing a **$1.2 million multi-phase transformation** into a recreational destination for boaters and paddlers. Newly built walking trails, shaded gazebos, and a five-slip docking facility are among the improvements planned for the island.

THEN IT'S ON TO BIG SHELL ISLAND — 12.7 MILES

Continue downriver another **12.7 miles** and make a stop at Big Shell Island. This undeveloped island has long been a favorite among local boaters for anchoring and beaching their boats.

Hop ashore for a little shelling, dip your toes in the water, or simply relax along the shoreline and watch the boats slowly pass by. It's an easygoing stop and a great place to enjoy the river.

ONE MORE STOP: PICNIC ISLAND — 2.8 MILES

From Big Shell Island, continue approximately **2.8 miles along the Intracoastal Waterway** to Picnic Island. This 7.4-acre undeveloped spoil island is popular for camping, beachcombing, shelling, shallow-water wading, and campfire gatherings.

And don't forget to keep your eyes open throughout the journey! **Dolphins, manatees, ospreys, bald eagles, and coastal wading birds** are all part of what makes exploring our Southwest Florida waterways so special.

MAKE THE TRIP HOME PART OF THE ADVENTURE!

After a day of island hopping, point the boat back toward Orange Harbor—but don't be in too much of a hurry! Stop at one of the many waterfront restaurants along the way for a bite to eat, a cool drink, and perhaps a beautiful Southwest Florida sunset.

Four islands, miles of beautiful waterways, and one great day on the water—all beginning and ending right here at Orange Harbor!

Dengue Fever and Prevention of Mosquito-Borne Illnesses

According to the U.S. Centers for Disease Control and Prevention (CDC), there have been over 200 reports of dengue fever within the state of Florida so far this year. According to the CDC, the cases of dengue have increased more than 800% worldwide since 2000. While dengue is more common (and even expected) in tropical regions, more recent warmer, wetter weather has caused a surge in subtropical environments, including Florida. First, we'll talk about how dengue fever is contracted, the symptoms of the illness, and how to treat it. After that, we will explore ways to prevent the spread of dengue and other mosquito-borne illnesses, such as West Nile Virus and Eastern Equine Encephalitis.

Dengue is spread by the bite of infected female mosquitos of two primary species. The Florida Department of Health tells us that symptoms will begin to appear 3 to 14 days after being bitten. Symptoms include high fever, eye pain, acute headache, rash, nausea and vomiting, bleeding, and intense joint and muscle pain, hence the nickname "breakbone fever." Since many of the symptoms are similar to those of influenza, it is sometimes misdiagnosed. These symptoms typically last 4 to 7 days; there is no antiviral medication. Management of the illness consists of close monitoring, fever and pain control (do not use aspirin or ibuprofen due to the bleeding risk), supportive care, and hydration. More severe symptoms warrant immediate medical attention as dengue hemorrhagic fever, although rare, is a more severe form of dengue that must be treated swiftly as it can result in death.

How can you prevent dengue and other mosquito-borne illnesses? The first step is to avoid being bitten by mosquitoes. In Florida, that is much easier said than done. So, what steps can be taken to mitigate the risk of mosquito bites?

- Wear preventative clothing. If you're going to be outside, wear long-sleeved shirts and long pants to cover yourself.
- Work in sunny open areas. Mosquitoes prefer shaded areas with vegetation to avoid dehydration.
- Use insect repellant. Insect repellant, if used correctly, can successfully ward off mosquitoes and other insects. Products containing 10-35% DEET are ideal, and most widely used in the US. For help choosing an insect repellent, see the Environmental Protections Agency website, Find the Repellent that is Right for You.
- Eliminate breeding sites. Mosquitoes breed in standing water; turn over any containers of standing water in your yard, cover any outdoor furniture or play equipment which may collect water, and dispose of yard debris. If you have standing water, such as a rain barrel or water trough, add a biological larvicide and cover with a fine mesh screen, if possible, to deter adult mosquitoes from laying eggs.

Strong Legs, Stronger Independence

What Trouble Standing Up May Say About Your Health
Have you noticed that getting out of a chair takes more effort than it used to? Needing to push off with your hands or rock forward to stand may be an early sign of declining leg strength.

As we age, we naturally lose muscle mass and strength, a process called *sarcopenia*. Weakening muscles in the thighs, hips and buttocks can make standing, walking, climbing stairs and maintaining balance more difficult.

Try This Simple Exercise
Sit-to-Stand: Sit near the front of a sturdy chair with your feet flat on the floor. Lean forward slightly, stand up slowly, then gently sit back down. Use your hands as little as safely possible. Work toward 10–15 repetitions, stopping if you feel pain, dizziness or unsteadiness.

Strong Legs Support Independence
Lower-body strength is essential for balance, mobility and preventing falls. Strength exercises just twice a week can help maintain muscle strength. Walking is beneficial, but adding chair squats, heel raises and other simple strengthening exercises provides extra benefits.
If difficulty standing is new, worsening or accompanied by pain, dizziness or frequent falls, talk with your healthcare provider.

Keep Moving!
Staying strong doesn't require heavy weights or strenuous workouts. Small amounts of regular exercise can make everyday activities easier and help you maintain your independence.

Strong legs help you keep doing the things you love — so keep moving!

Effective Date: January 1, 2027

ORANGE HARBOR CO-OP, INC.

NOTICE TO RESIDENTS - Summary of Changes to Rules and Regulations

The Orange Harbor Co-op Board of Directors, Rules & Regulations Committee, has completed a comprehensive review of the Community's Rules and Regulations. The proposed revisions are intended to clarify existing requirements, eliminate outdated or duplicative provisions, and provide additional guidance in several areas affecting residents and the Community. The revised Rules and Regulations are effective as of **January 1, 2027**.

DEFINITIONS & FEES

Definitions have been clarified or expanded for maintenance fees, tenant fees, late fees, residents, renters, Architectural Exterior Modification (ARC) forms, and motor vehicles. Golf carts, e-bikes, and other low-speed vehicles are specifically addressed as motor vehicles for purposes of Community rules.

RESIDENCY, CAREGIVERS & BACKGROUND SCREENING

New provisions clarify when a child or other individual under age 55 may reside with a qualified resident as a live-in caregiver, including documentation, approval, screening, and occupancy requirements. Background-check requirements have also been expanded for individuals applying to own or rent homes, park models, and annual RV sites.

HOMES, LOTS, LANDSCAPING & ARC APPROVAL

Rules have been clarified regarding exterior modifications and landscaping requiring ARC approval. New provisions also address parking and limited storage beneath homes elevated 12 feet or more and establish appearance and safety requirements for those areas.

PETS, SERVICE ANIMALS & ASSISTANCE ANIMALS

Pet rules have been substantially updated to address registration, licensing, vaccination, leash and control requirements, nuisance and aggressive behavior, pet-waste cleanup, and enforcement. Separate provisions clarify the rights and responsibilities associated with service and assistance/emotional-support animals under applicable law.

VEHICLES, GOLF CARTS, E-BIKES, PARKING & TRAILERS

Vehicle and parking provisions have been reorganized and clarified, including the 15 MPH speed limit, parking restrictions, noisy vehicles, towing, and safe vehicle operation. During the Community's active season of January 1 through March 31, boat, work, utility, storage and similar trailers may not be stored in driveways, carports or other visible areas unless specifically authorized in writing by Management.

NOISE, FIREARMS & COMMUNITY SAFETY

The rules now provide a more detailed definition of excessive noise and establish general quiet hours of **10:00 p.m. to 7:30 a.m.** Firearm and weapon provisions have also been expanded to address discharge or unsafe use of firearms and other weapons while recognizing lawful possession under applicable law.

DOCKS, WATERFRONT AREAS & REFUSE

Waterfront rules clarify resident responsibility for permits associated with docks, floating docks and boat lifts. Refuse provisions have been updated to address hazardous materials, and proper disposal requirements.

All shareholders are welcome to attend.

Next meeting is November 20, 2026

Town Hall Meetings

Town Hall meetings are held every Saturday following coffee and donuts at **9:20 a.m.** in the clubhouse.

All residents, both shareholders and land lease residents, are encouraged to attend.

Next meeting is November 21, 2026. This month there will be the All Park Breakfast at 8am-9am followed by the Town Hall at 9am.

Coffee & Donuts

One of the best ways to stay connected at Orange Harbor is by joining your neighbors for our monthly **Coffee & Donuts Gathering** on the **4th Saturday of each month at 9:30 a.m.** in the clubhouse, just before the **9:45 a.m. Town Hall Meeting**. This casual get-together offers residents a chance to catch up with friends, welcome new neighbors, hear club announcements, and learn about upcoming community events. Whether you're a longtime resident or new to Orange Harbor, Coffee Hour is a wonderful opportunity to strengthen friendships and stay informed about what's happening in our community. Please sign up on the clubhouse bulletin board so we can have enough donuts for everyone. Hosts are also needed throughout the season, so consider volunteering if you'd like to help make this event a success.

All-Park Breakfast

The **All-Park Breakfast**, held on the **1st and 3rd Saturdays of each month at 8:00 a.m.** in the clubhouse, has become a favorite Orange Harbor tradition. More than just a delicious meal, the breakfast provides a welcoming setting where residents can gather, share stories, discuss community happenings, and enjoy the company of friends and neighbors. It's a great way to start the weekend, meet new residents, and strengthen the sense of community that makes Orange Harbor such a special place to live. Whether you come for the food, the fellowship, or both, we invite you to pull up a chair and join us for a relaxing and enjoyable morning.

Park Sale Donations

Have items you'd like to donate to the Park Sale?

Donations are accepted on the 2nd and 4th Saturdays of each month.

Sign up in advance at the clubhouse. Donation dates and times are listed on the sign-up sheet. Large donations may require special arrangements. For larger donations, contact: **Joanne Lose**

📞 517-294-6912 Please leave your name and address in your message, and a Social Committee member will contact you.

Guest Parking Reminder

During the busy season, guest parking can become limited. To help keep traffic flowing smoothly and ensure parking is available for everyone, residents hosting overnight guests are asked to follow community parking procedures.

Before Your Guests Arrive:

✓ Obtain a guest parking permit from the office.

✓ Use designated temporary guest parking areas when needed.

✓ Help guests avoid blocking:

Driveways, Streets, Emergency access areas, Vacant lots

Following these simple guidelines helps maintain safety, accessibility, and courtesy throughout the community.

Do You Want to Make Your Community Even Better?

Orange Harbor thrives thanks to the dedication of its volunteers, whose generosity and commitment truly make a difference in the community. Whether helping with events, assisting neighbors, or supporting the Board's efforts to keep resident information current, volunteers are worth their weight in gold. If you have time and energy to share, consider joining the volunteer team and help make Orange Harbor an even better place to live. **Social Committee meets on the first Monday of the month at 4pm in the clubhouse. There will be no more meetings through the summer months. See you in the fall!**

Exciting Updates for Orange Harbor RV Guests!

We have some exciting news for our RV guests and future visitors!

Orange Harbor is excited to announce several updates designed to make your stay more enjoyable, flexible, and affordable.

To better accommodate our guests, **new RV rates have been implemented to provide a more comfortable cost for visitors while continuing to offer the quality experience Orange Harbor is known for.** In addition, we have made an important change to our peak season reservation requirements.

Shorter Minimum Stays During Peak Season

The previous **90-day minimum stay requirement for Pull-Through sites** and **120-day minimum stay requirement for Waterfront sites** have been eliminated. Guests may now reserve these popular sites with just a **30-day minimum stay**, providing much greater flexibility for seasonal visitors and travelers looking for a shorter stay.

Whether you're planning a month-long getaway, an extended vacation, or simply want to enjoy Florida's beautiful winter weather, Orange Harbor now offers more options than ever before.

Reserve Your Stay Making a reservation is easy!

Visit the Orange Harbor Office or Book Online Through CampSpot

Our online reservation system allows guests to view available sites, compare options, and reserve their stay anytime.

These new rates and flexible stay options are part of our ongoing commitment to making Orange Harbor a welcoming and affordable destination for both returning guests and first-time visitors.

Come enjoy the Orange Harbor experience—whether for 30 days or the entire season!

Downtown Ft. Myers

Every month brings a fresh wave of excitement to the downtown area, with vibrant events drawing locals and visitors alike. Streets are often closed to ensure the safety and enjoyment of all attendees, creating a lively and pedestrian-friendly atmosphere. On the first Friday of each month, the Art Walk unfolds, showcasing the creative talents of local artists who present their unique and captivating works across a variety of mediums. This event transforms the streets into a bustling gallery, where art lovers can explore and purchase beautiful pieces directly from the creators.

Not to be outdone, the third Friday of each month brings the Music Walk to life. For one night, the air fills with melodies as musicians of all levels and styles perform, turning the streets into an open-air concert venue. This musical extravaganza draws crowds who revel in the diverse performances, making it a night to remember for attendees of all ages. Both events are free, ensuring that everyone can participate in the cultural experience.

Orange Harbor Boat Club

Whether you're a boat owner or simply enjoy being out on the water, you're invited to take part in all our club activities! Our main goal is to promote, protect, and encourage the sport of boating. We also strive to help members learn and follow navigation laws and seamanship, while fostering sociability and friendships throughout our community. As a member, you'll be able to join monthly group boat trips to local restaurants, participate in our annual Orange Harbor Christmas Boat Parade, and attend the Commodores Ball—just a few of the exciting events we offer. New ideas and volunteer leaders are always welcome.

Current Officers are:
Commodore: Jim Robinson 815-353-7280
Secretary: John Masters 239-887-2894
Fleet Captain: Bud Will 219-218-0669

We hold club meetings on the **first Saturday of each month.** If you're interested or have questions, please reach out to Jim Robinson at 815-353-7280 or via email at litehouse@pga.com.

Our meeting season runs from November through April, with boat outings scheduled for the fourth Monday of those months.

Join the Orange Harbor First Mates Club!

Looking to get more involved, meet new friends, and make a difference right here at Orange Harbor? The **First Mates Club** is the perfect way to do just that!

The First Mates are a fun, welcoming group of residents who come together to support our community through social events, fundraisers, and charitable projects. From organizing dinners to running the Giving Tree and other outreach efforts, the club plays a big role in keeping our community vibrant and connected.

Membership is open to all residents of the park. You don't need to own a boat, just have an interest in being involved in our community and support our outreach efforts.

Whether you have a little time or a lot, your participation makes a difference. Joining the First Mates is a great way to share your talents, stay active, and be part of something meaningful while having a great time with neighbors.

New Orange Harbor Entry & Gate Procedure

There are three entry lanes: right for RV staging (get code, then shift left), center for residents/staff with electronic stickers (automatic gate opens), and left for all other vehicles (use keypad to call resident for entry).

- The new gate system was activated on September 15, 2025. Only registered residents can get stickers; all sublease tenants must be vetted by the office.
- Each gate set includes Lift and Swing Gates. Swing Gates are open 6:00 a.m.–7:00 p.m.; after hours, both gates require keypad or sticker access. Lift Gates open individually for authorized vehicles and all exiting traffic.
- Residents are called from 727-627-0781 at the keypad for gate opening. Surveillance cameras monitor entries/exits.
- Emergency vehicles, Amazon, and U.S. Mail use dedicated entry systems. Vendors and delivery companies may have special codes; other services must use the keypad.
- During emergencies, gates open automatically. Temporary codes for guests/contractors are available from the office and must be managed by residents.
- Residents can buy a second sticker for $14.00 for a second vehicle. Tailgating is prohibited and enforced by sensors and cameras; violators are liable for damages.
