April & May 2022

Brought to you by the  
Orange Harbor Residents and Social Committee

## COMMUNITY MANAGER NEWS

As we reach the end of another season, I want to thank the residents and visitors for a great season. Our RV park was full all season thanks to the hard work of Sarah plugging in the holes in the reservations system. She obtained a 99.9% occupancy rate. I commend the residents on the improvements to their homes. The park has never looked so good!

We are improving on following the rules. However, we still have some problems with pets. The latest are cats running loose getting into trash and making a mess. It is very dangerous letting your cat outside as there are predators that go after them. We are also getting complaints about dogs barking. If your dog is a barker, I recommend you purchase a "bark collar". I have used them and it usually only takes a day or two for the dog to learn.

On the real estate side, we will have a sheriff's sale (auction) on 148 Orange Harbor Drive. Look for the e-mail or the sign. All bidders must be prequalified to bid. Anyone who is not a current owner, shareholder, or annual RV resident, is required to have a background/credit check before bidding.

I would like to remind all "for sale by owner" buyers and sellers that they must file forms with the office prior to sale. This includes background/credit checks, and estoppel (review of account) so you know what is owed. When you buy a home, you also buy the affiliated debt. This requirement is for everyone's protection! If this rule is not followed, and you buy a home you may have to move it out of the park or give it to the Co-Op.

We have some good news on the permits we have been waiting for. We have received the permit to takeout 3 Shoreland and the permit to set 69 shoreland. We are still waiting for permits for the entrance and the pickleball courts.

As I write the article, we are doing a Survey Monkey on the fiber optic project. Early results favor the desire to install the fiber optic system that will bring OH into the speed of light communications era.

Thank You,

**John Schoellner, CAM**

# Let's Get Social

Spring has sprung! For the last couple of weeks, we've seen many Snowbirds start to ready their winter nests for the long, hot summer months as they prepare to head north. We've had a lot of fun this winter! So many activities and sooo many active people! We hope you take home some wonderful memories from this season and look forward to next season.

This has been a fun and busy year for us. We've had some great events, spectacular attendance, and unparalleled enthusiasm. Our fund raisers have seen unprecedented success. This contributes to our ability to host more events. Many residents have hosted all park events on their own, paid for a musician or band, volunteered to entertain us for free . . . your generosity goes on and on. We have to say a BIG thank you to all of you!

Our volunteers continue to give generously as well. So many give their time and expertise in so many ways, it continues to amaze us. If you're out and about, you know who they are, please give them a personal thank you when you have the opportunity.

Typically, we are pretty quiet here in the summer. As more and more of our residents choose to stay longer and we have many year-round residents, we are hoping to plan a few summer events. Perhaps an occasional musician poolside or a summer trivia event in the clubhouse, maybe a picnic. Let us know if you'll be around and we'll make sure we let you know!

In the meantime, we will be planning events for the 2022/23 season. If you have an event you want on the schedule, don't forget to let me know. We don't want to miss a single event! Remember, the calendar goes to print on or around the 15<sup>th</sup> of the prior month, so don't procrastinate! We want everyone to know what's going on and where the action is!

April 1<sup>st</sup> is Bob Evans Day, don't forget to support this last fund raising event of the season. Here's to ongoing fun in the sun, whether it's in Orange Harbor or your summer home!

Safe travels everyone! We'll see you again next season!

## 2021-2022 ORANGE HARBOR Catch of the Season

As of our April OH News press deadline, no larger catches had been reported to the Commissioner to top our running leaderboard. So Ron Hass and his 38" Bull Shark (pictured) continue to lead the way for the 2021-2022 season. Recall that the season closes April 15, for plaque engraving and updating, so there is still time to land your record catch and report it to the Commissioner at the contact information below.

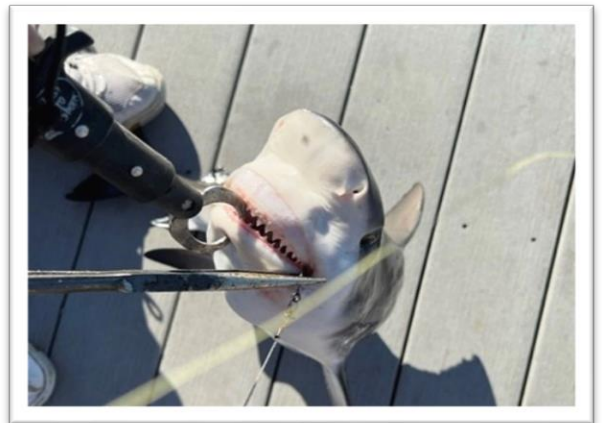

**Ron Hass, 38" Bull Shark (pictured)**  
**Don Vittitow -36" & 32" Snook**  
**Bill Bartels - 35" Bull Shark**

In the interim, I thought I might relay my own CATCH & RELEASE story in case it might benefit someone else. As many of you know, I do a fair amount of bike riding in MN and FL (yes, this is a biking story). Recently to my horror, my bike bag managed to slip off its rack. I noticed it fairly quickly, panicked, and started to retrace my path. From across the very busy Sun Harvest intersection, to my huge relief I spotted it! There it was upside down on the bike trail! We were separated by only about 8 lanes of speeding, deadly vehicles. While waiting for traffic to clear, to my horror again, I witnessed a large vehicle turn off the highway, onto the bike trail, an arm leaned out of the driver's door, CAUGHT my bag, and drove off. My screams, flailing arms, and short chase to no avail. I knew he saw me as the thief sped off. All was lost.....wallet, phone, keys, glasses, lock, cap, suntan lotion. Sadly and naked of any identity, I headed to meet Marie coming from work.

BUT, since she has her concerns about me biking down here, she had requested that I "share my location" with her on my phone. At first this request seemed Mother Hen creepy, but being the "perfect partner," I reluctantly agreed. (Actually, she went on to explain to me that when one of us goes missing, the spouse is always the first to be suspected of foul play, so she would need to produce my crumpled body from whatever ditch I landed in, to clear herself of wrongdoing :) Well, she checked, and sure enough, my phone pinged its location in a residential neighborhood! We went on a rescue mission and then a stakeout, sitting in her vehicle a few houses down the dark street from the thief's lair. The Lee County Sheriff's department wasn't too excited about my "non-emergency," but to keep me from approaching the house, 3 squads eventually arrived, went up to the door and RELEASED my bag and contents. Turns out they've had "many encounters with the older gentleman and know him well." The lesson I learned: it's good to honor our partner's well-intended wishes. Share your location and you may never be lost.

**GOOD LUCK TO ALL OUR ANGLERS!**

## To New Home Owners:

I am a member of the Orange Harbor welcoming committee, along with Luanne Bartels, Sally Anderson, Pat Petel, and Marcia Wineburner. Normally we like to call on new homeowners and welcome them with a few small gifts and see if we can suggest activities in the park, based on their interests. Covid has made us very tentative about knocking on doors. We feel everyone should follow their own preferences regarding social distancing and wearing masks.

**In the meantime**, we are inviting you to come to our morning coffees at 9am on the second and fourth Saturdays of each month. We will have a welcome table just inside the door so you can have the opportunity to meet at least one of us and receive your gifts. We also have hand sanitizers just inside the door and on every table. Wearing a mask is by choice.

If you have never attended any Orange Harbor functions, I will tell you that almost everyone is about 15 minutes early. That will give you time to get a cup of coffee before you settle down. We're anxious to meet you and hope to see you soon! **Dolly Tye**

**Mondays at 4 PM**  
**(1<sup>st</sup> Monday of the month - 2:30)**  
**Thursdays at 10:00 am**

**Or set up a group anytime and  
use the equipment in the storage  
box**

**Pickleball** is a fun game that is played on our two pickleball courts. It is played with a perforated plastic baseball (similar to a whiffle ball) and wood or composite paddles.

It is easy for beginners to learn, but can develop into a quick, fast-paced, competitive game for experienced players of ping pong, racket ball and tennis.

The size of the playing area is about 1/3 the size of a tennis court, usually played with 4 players. Lots of fun and great Exercise.

**Wear your tennis shoes** and bring water or refreshments and a chair. Snacks if you want.

*Have you ever been away from your paper calendar and wondered what was going on a Thursday evening?*

We have had two OH Social calendars for quite a while now. One is on our Orange Harbor Coop website, the other is a Google app called Google Calendar. It has been a challenge to keep them both current and, for a couple reasons, we have decided to move to the Google Calendar exclusively. Most users agree this is the simplest to access and use. It is certainly the easier of the two to view, add, and edit. We will try this throughout this season and see how it goes and move on from there.

Most of us carry our cell phones with us, and now with the GOOGLE CALENDAR app, you will know what's happening in the Harbor wherever you are! If you don't currently have this on your device, you will need to follow the instructions below for view only access. To add, delete, or edit an event, please contact Jeannie Miller at [jem1931823@gmail.com](mailto:jem1931823@gmail.com)

### ***ON YOUR COMPUTER, PHONE AND/OR TABLET:***

1. First, if you do not have google calendar on your phone, computer and/or tablet, you must download it (free)
2. Email me, (Jeannie Miller) [jem1931823@gmail.com](mailto:jem1931823@gmail.com) the email you used for the google calendar app.
3. If you have a 'gmail.com' email, you will be accepted right when I accept your email. If you do not have gmail, then you will receive an email invitation to receive OH events calendar. It will ask you to Click on link and it will download to your calendar.
4. Once I have received your emails and accepted them, you can open google calendar, if OH events are not on your calendar, click on 3 lines on left top. Scroll down until you see the email address you sent, click boxes that say OH Activity and Events. If you do not see it there, click three lines and go to settings, there you will see 'oh activities and events' make sure box is checked!

## Teri's Tidbits

High Season here in our beautiful park has been busy and loaded with activities in addition to exciting projects.

We are proud to report we have been at full-capacity in the R.V. Park all season!

Sarah and I are also happy to announce, through careful management of our reservations system, we were able to add 22 new annual R.V. residents. This brings our total with 27 renewals to 49 Annual R.V. Residents who will enjoy full-time occupancy in the R.V. Park. Welcome to all of our new residents!

We have also been busy in the office and I have enjoyed meeting many of our returning seasonal residents.

Reminder, while we are still in the drier part of the season, now is a great time to tackle those projects like, painting and resurfacing driveways, painting exterior mobile homes, cleaning painting and sealing your roof...etc.

As we bid our seasonal residents a fond farewell and safe journey, we ask that you be sure to follow the closing list provided for securing your home, while you are away.

Wishing everyone a Happy and Blessed Easter.

## KAYAKING THE ESTERO RIVER

### ESTERO OUTFITTERS

20991 S.Tamiami Trail

Estero, FL

239-992-4050

**Overview:** Going east the river is narrow with no power boats. Winding under trees in shallow water is very quiet and peaceful.

Add on to this 2-hour trip or plan another trip by going west. The river starts as a curving black water stream through hardwood hammocks, the lush shoreline eventually gives way to mangrove swamps, coastal bays and islands. Yellow-crowned night herons, cormorants and anhingas are easily spotted; black-whiskered vireos and mangrove cuckoos are rarer. Two prominent historic sites are featured along the trail: the Koreshan Community and Mound Key. The trail also circumnavigates the island of Lover's Key State Park.

Cost for 2 hours, single and double: Kayaks under 13 ft. \$17.50 per person, over 13 ft. \$22.50 per person (plus tax on all) No cost if you bring your own. Just bring water, suntan lotion, camera, etc.

**Driver's License is needed at the time of the rental.**

## COVID-19 Guidance

### Orange Harbor Clubhouse & Common Area Usage

It is crucial to minimize the risks of spreading the coronavirus. This guidance is in compliance with CDC guidelines and is designed to maintain health and safety standards requirements and physical distancing directives while providing opportunity for our residents to attend functions and participate in activities throughout the park.

Use of Orange Harbor facilities and participation in activities is At Your Own Risk.

**Maintain at least 6 feet of separation as much as possible** in areas that may lead to close contact with other people. Areas include: the clubhouse, both pavilions, laundromat, other gathering spaces, and outdoor activities.

**The CDC recommends that you do not shake hands, give high-fives, do elbow bumps, or touch others.** Close contact increases the risk of getting the COVID-19 virus.

When attending an activity either inside or outside of the clubhouse, maintain as much distance as possible between yourself and other individuals, and **use masks if they do not interfere with your activity.**

**Follow proper prevention hygiene.** Wash your hands with soap and water for at least 20 seconds, especially after you have been in a public place, or after blowing your nose, coughing or sneezing.

**Use alcohol-based (at least 60% alcohol) hand sanitizer** when soap and water is not available. Hand sanitizer is available in the common indoor areas, ie: clubhouse, office and laundromat.

**Residents with underlying medical conditions should be extra vigilant** in adherence to these guidelines.

### Clubhouse - Gatherings, Social Events & Activities

The OH community cleaning crew sanitizes the clubhouse daily.

- Use large round tables with only 6 chairs per table. This will represent the maximum number of people allowed in the clubhouse for events and activities.
- Social distancing should always be encouraged.
- There will be no potluck dinners. Food prepared in your home should not be brought into the clubhouse for the purpose of sharing with others.
- Sanitize tables and other surfaces before and after use.
- Sanitize equipment before and after use (ie: card tables microphones, pool cues, tables, etc)
- Food prep in the kitchen: preparers and servers should wear gloves and masks. Kitchen should be sanitized before and after use.

### Monitor your health daily.

Watch for fever, cough, shortness of breath or other symptoms of Covid-19. If you have any of these symptoms or in general feel un-well, do not use any of the Orange Harbor facilities or anticipate in any OH events or activities; stay home and contact your physician.

# Marvelous Facts about May

May used to have a very different name in Old English. Back then, the month was referred to as the "month of three milkings." This meant that during this month, you could milk your cows up to three times per day!

May was once considered an incredibly ill-omened time to get married. There's an adage for it actually, which goes: "Marry in May and you'll rue the day." It's not clear where exactly the saying comes from, but there must have been a pretty good reason not to get married in one of the most beautiful months of the year!

May isn't just a bad time to get married, though. There's the Cornish superstition that buying a new broom in May is unlucky. Oh, and apparently, you shouldn't wash any blankets either!

May is the month that the Eurovision song contest is held every year. For those not in the know, Eurovision is an international song contest that has been held every year since 1956. Some of the contest winners over the years have gone on to be incredibly successful groups, with the most notable being ABBA!

May is a special time for [Star Wars](#) fans worldwide and always a good reason to re-watch the movies. May the 4<sup>th</sup> is celebrated as Star Wars day, due to the way the date sounds similar to "May the Force." We won't start the debate over whether the old movies are better than the new ones, because we all know the answer to that!

The Empire State Building opened its doors on [May 1, 1931](#). At the point of its construction, it held the record for being the tallest building in the world. Many other sky-high constructions have since dwarfed it, but it's still an awe-inspiring feature of the New York cityscape!

May is pretty exclusive when it comes to days of the week. No other month in one single year starts or finishes on the same weekday as May. Basically, if the first of May is on a [Friday](#), and the 31<sup>st</sup> of May is on a Sunday, no other months in the year will start or end on a Friday or a [Sunday](#)!

The birthstone for May is the emerald. Emeralds are a type of stone called beryl and typically range from a deep-sea green to a lighter color. Emeralds are symbols of fertility and rebirth.

May actually has two birth flowers - the Lily-of-the-Valley and the Hawthorn. The Hawthorn flower is a symbol of hope, while the Lily-of-the-Valley represents the return of happiness and sweetness.

May also has two Zodiac signs, Taurus and Gemini. People born under the sign of Taurus are said to be ambitious and smart, yet trustworthy. Those born under the sign of Gemini are said to be passionate, adaptable, and smart.

May has some pretty interesting month-long observances. In the U.K., May is National Pet Month and National Smile Month.

In the US, May is National Burger Month, Older Americans Month, and National Military Appreciation Month.

May also has some pretty wacky days! [Hawaii](#) celebrates Lei Day on the first of May, which also happens to be [May Day](#). Utah celebrates Golden Spike Day on [May 10<sup>th</sup>](#) after the First Transcontinental Railroad was completed. [May 29<sup>th</sup>](#) is celebrated as [Put a Pillow on Your Fridge Day](#)!

Many famous people were born in May, such as Mark Zuckerberg, Karl Marx, Clint Eastwood, Wes Anderson, John F. Kennedy, Queen Victoria, and Catherine the Great!
